

Product Packaging Evaluation Framework

Rowena Treseder

Senior Medication Safety Pharmacist - Alfred Health

Secondment Commencing: January - June 2024

Product Packaging Evaluation Framework

- ▶ Collaboration between VicTAG and HSV
 - ▶ Design
 - ▶ Pilot
 - ▶ Establish
- ▶ Focus on clinical product packaging and presentation
- ▶ Does not involve assessment of role in therapy
- ▶ Considerations:
 - ▶ Procurement contractual considerations
 - ▶ Economic viability
 - ▶ Evaluate in context of use within Victorian Participant Health Services
 - ▶ Relevant regulations and organisational policies
